By replying to this message, you're accepting the terms in the policy.

Tamouh Shared Procurement Service sent a new order

If more than one email address is associated with your organization for PO delivery, then the copy of this purchase order would be sent to them as well.  
Your customer sends their orders through Ariba Network. You'll get a FREE Ariba Network standard account to process this order. If you have an account, you can use it and log in to Ariba and Ariba Network, visit <http://www.ariba.com>.

Process order

You will receive an email notification of the PO on Ariba Network each time Tamouh sends you a PO

1. Click the “Process Order” button to sign in with your existing Tamouh Ariba Account

# Ariba Network Supplier "Login" with existing Account

The screenshot shows the Ariba Network sign-up page. At the top left is the SAP Ariba Network logo. The main heading is "Join your customer on Ariba Network!". Below this are two buttons: "Sign up" and "Search your company", separated by "Or". Below the buttons is the text "Already have an account? Log in". The page features three columns of content with icons: "Strengthen relationships" (collaborate with your customer), "Reach more customers worldwide" (sign up with Ariba Discovery), and "Learn more". A modal dialog box is centered on the screen, titled "Potential existing accounts" with a close button (X). The dialog contains the text: "We have noticed that there may already be an Ariba Network account registered by your company. Please review before you create a new account." A blue button labeled "Review accounts" is highlighted with a red border. A yellow callout box points to this button.
